**DEPARTMENT OF SOCIAL SECURITY & EMPOWERMENT OF PERSONS WITH
DISABILITIES**
RESOLUTION

The 4th June, 2025

Guidelines for Integrated Infrastructure Complex (IIC)

1. INTRODUCTION

- a. Maintenance and Welfare of Parents and Senior Citizens Act, 2007 was enacted to ensure need based maintenance for parents and senior citizens and their welfare. The Act envisages for establishment of old age homes for indigent senior citizens as well as creation of adequate medical facilities and security for senior citizens.
- b. Rights of Persons with Disabilities Act, 2016 raised disability categories from seven to twenty-one. The Act provides for education, employment, creation of barrier free environment, social security etc. to persons with disabilities.

2. BACKGROUND

- a. Legislative and policy mandates contained in Maintenance and Welfare of Parents and Senior Citizens Act, 2007; Rights of Persons with Disabilities Act, 2016 and Mental Health Care Act 2017 as well as relevant policies brought upon the state the necessity to develop infrastructure for ensuring the wellbeing of beneficiaries under social security net through sustainable support systems.
- b. An action plan has been formulated for developing Integrated Infrastructure Complexes (IICs) as Centres of Excellence with facilities of Old Age Home, Special Schools for disabled people, Mentally ill Home and Rehabilitation Centre. This Infrastructure will aim at holistic geriatric care and improving the lives of Persons with autism, cerebral palsy, mental illness, multiple disabilities, and other disabilities. These sections of the society eke out a meagre living; they are exploited, abused and neglected, causing depression, anguish and resentment.

- c. Hon'ble Supreme Court in WP(C) No. 193 of 2016 Dr. Ashwini Kumar Vrs. Union of India and others issued directives for providing Pension, Shelter, Geriatric and medical care in WP(C) No. 412 of 2016 Gaurav Kumar Bansal Vrs. Union of India & others issued directives for providing shelter home for the mentally ill persons.
- d. There has been a steady rise in the population of elderly in Odisha. Census of India 2011 enumerated Senior Citizen population of Odisha at 39,84,448 accounting for 9.49% of total population of the state which is higher than the national average (8.58%). The number of elderly persons has increased from 22.81 lakhs in 1991 to 30.39 lakhs in 2001 and 39.8 lakhs in 2011. The present proportion of 9.5 percent of senior citizens is estimated to reach 13.8 percent, numbering 62.69 lakhs in 2026. Estimated population of Senior Citizens comes to 44.49 lakhs in 2019.
- e. Census of India 2011 estimated the PWD Population of Odisha at 12, 44,402 accounting for 2.96% of the total population of the state which is 0.75% higher than the national average (2.21%) which indicates that the state has a higher prevalence rate of disability. The number of PwD population in Odisha increased from 10.21 lakhs in 2001 to 12.44 lakhs in 2011. Estimated population of PwDs comes to 14.62 lakhs in 2019. Further, Census data has covered 8 categories of PwDs whereas category of PwDs raised to 21 categories as per RPWD Act, 2016. Different estimates show current rate of prevalence of disability will be between 10-15%.
 - i. Therefore, the Government of Odisha has taken up the construction of Integrated Infrastructure Complexes for the social security of senior citizens and PwDs, requiring comprehensive rehabilitation services by technical manpower under one roof on regular basis. The need for creating such integrated centres capable of providing a range of qualitative services is being felt time and again to improve the conditions of PwDs, Senior citizens and other beneficiaries belong to the Department. These facilities involve creation of infrastructures including technical equipment, manpower, and an effective monitoring mechanism involving a higher investment. The IICs will have common facilities/ infrastructure to provide services to all inmates.

3. PROGRAMMES

As on dated 1st June, 2025 eight such Integrated Infrastructure Complexes(IICs) have been completed. Another four IICs are in various stages of completion. These are located at district level to house the following amenities in phases:
